Day 28: Setting up your YouTube URL

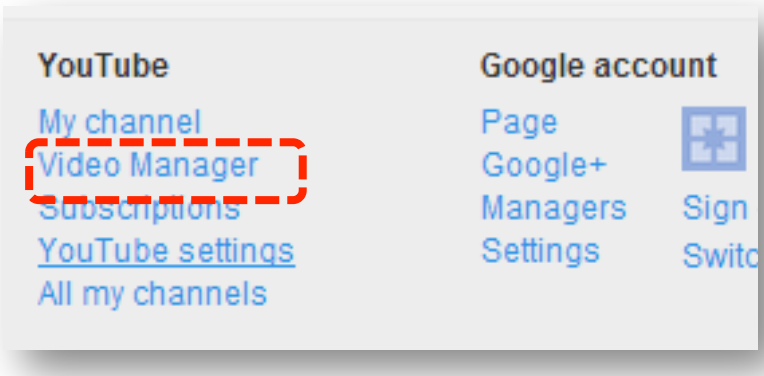
Today we are going to continue with optimizing our YouTube channel and set our YouTube URL.

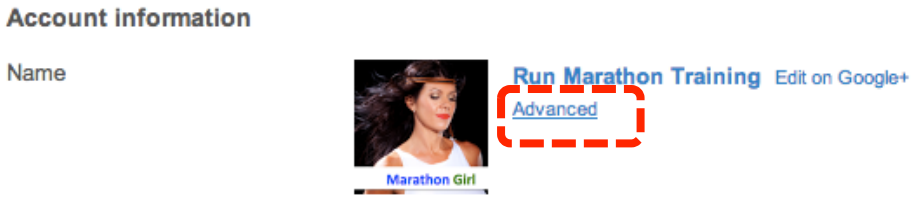
To set up your URL:

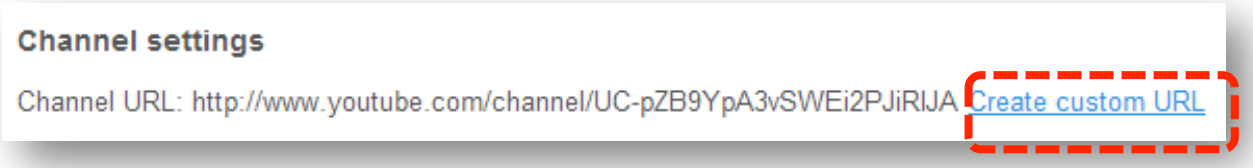
Channel URL: the YouTube URL address for our channel looks just ugly:

http://www.youtube.com/channel/UC-pZB9YpA3vSWEi2PJiRIJA

What we need to do in order to change it is to go to the "YouTube settings" area and click on "Advanced" and then "Create custom URL":







Now it is your Turn:

1: Log into YouTube and select your YouTube Channel

2: Create your custom URL and Save

3: Have a play around YouTube

Action Plan

1. Download PDF document

2. Watch Video: How to set up custom URL

4. Post on Facebook Business Page you have completed

5. Any questions on our Group Page
